An Industrial Dispute having come into existence between the workmen and the management of M/s Hindustan Electric Company Limited, Faridabad, the same was referred to the Industrial Tribunal, Punjab, for adjudication under clause (d) of sub-section (1) of section 10 of the Industrial Disputes Act, 1947. The two demands of the workmen as mentioned in the notification are as follows :—

1. Whether Shri Chanan Singh is entitled to the wages for the period from 29th August, 1965 to 3rd September, 1965 when he was detained by the Police at the instance of the management? If so, with what details?
2. Whether the workmen are entitled to the payment of bonus for the year 1964-65? If so, what should be the quantum and terms and conditions of its payment?

The Industrial Tribunal, Punjab, framed issues and directed the parties to produce evidence in respect of the same. While the matter was still pending before that Tribunal, the State of Punjab was reorganised and under section 93 of the Punjab Reorganisation Act, 1966, this reference stood transferred to this Tribunal for adjudication. When the case was taken up on 7th February, 1967 the parties made statements before me that the dispute in question along with certain other matters had been amicably settled between them as per Ex. P. 1 and as a result of the said settlement the workmen had agreed to withdraw the demands in question. Ex. P. 1 was produced before me and both the parties admitted that the said settlement was binding on them. The two demands in question are accordingly dismissed. No order as to cost.
